

Lorraine Donegan
Graphic Communication Professor

[Yellow Progress Bar] (47)

Grade: A

"This class was by far my favorite out of any I have taken at Cal Poly and I don't see another beating it. The course was interesting every day of lecture and somehow made me want to wake up for a 7:40 class"..... [READ MORE](#)

December 2015

Grade: C+

"Expect to work hard especially in upper level courses. She was quite devoted to her students a couple years ago. Now plan on reading between the lines and catch all the details" [READ MORE](#)
